

Training Invitation: How to run a business

München/Munich: 08.05.2023 – 12.05.2023

Gain basic knowledge in dealing with money as well as the essentials of setting up a business

Micro Business Game and Savings Game:
Business Games made by Deutsche Sparkassenstiftung

The two simulations are highly interactive trainings for people who want to learn in practice how the success and sustainability of start-ups and small businesses can be reached and a training tool for private households or small family businesses to learn the art of efficient family budget management and savings mobilization “

“The content was designed to build professional competencies in all areas.” - Participant

“The German Sparkassenstiftung [...] taught me how to manage my business and use my money profitably.” - Participant

“I liked that we were actively involved in the seminars, not just listening.” - Participant
